The most **CHALLENGING** part of the Chequamegon 40 mountain bike race starts with being granted entry into one of the most **HISTORIC** events in the country. The **EXHILARATING** 40 mile adventure features a high **QUALITY** route which is the **ULTIMATE** in mountain bike racing. Non-stop **ACTION** begins at the rollout and continues from the **MENACING** “Fire Tower Hill” to the **EXHAUSTING** climbs on the “Telemark Ski Trail Hills”. The **GRUELING** terrain puts this race in a league of its own. Once successfully completed, your **OUTSTANDING** feat will make you **NOTORIOUS** at any trail head.

Please let me ride in the Chequamegon 40....
